### RoGer-TB

**“Cross-Border Migration and Tuberculosis between Romania and Germany – RoGer-TB”**

is a cooperation project of

- Research Center Borstel – Leibniz Lung Center
- Robert Koch Institute
- German Central Committee against Tuberculosis

together with

- Marius Nasta Institute of Pulmonology
- National Public Health Institute Romania

**The RoGer-TB project is funded by the Federal Ministry of Health, Germany, in the context of the Global Health Protection Program (GHPP).**

Objectives:

- Improve cross-border patient transfer
- Identify Problems in the management of cross-border TB cases
- Reduce the stigmatization of migrants with TB
- Develop an interactive smartphone app to accompany patients in cross-border TB management

### Venue

Ramada Hotel & Suites  
by Wyndham Bucharest North  
Strada Daniel Danielopolu 44  
București 014134

### Registration

Dragoș Dendrino  
Institutul de Pneumoftiziologie Marius Nasta  
Sos. Viilor nr. 90 sector 5  
București 050159  
+40 727 321412
